COLUMBARIUM AND MEMORIAL GARDEN
Information Sheet

The Anglican Parish of Wallsend provides you with a ministry of comfort and support for you in your time of sorrow, and the reassurance of hope in the promise of eternal life through Christ, as you grieve the death of a loved one.

We offer a special area within the grounds of St. Luke's Church where the ashes of loved ones can be placed for remembrance.

What Happens After Death?

'Beloved, now we are children of God, and it has not yet appeared what will be. We know that when He appears, we will be like Him, because we see Him just as He is'.

1 John 3:2 NASB

The Interment of Ashes

Following the cremation of our mortal body, the remaining ashes may be placed in a sealed container, and placed in a niche (a specially made space between bricks in a wall) in the Columbarium (brick walls specially designed for holding the ashes of deceased persons), or sprinkled directly into the earth of the Memorial Garden.

Ashes placed in a niche in the wall remain in a sealed container. An engraved metal plaque is placed on the outside of the ashes container. If ashes are placed directly into the earth of the garden, an engraved metal plaque is placed on the Memorial Wall of the Columbarium.

Memorial Garden and Columbarium Guidelines

The use of the Columbarium and Memorial Garden must be in accordance with the Guidelines, Rules and Policies established by the Anglican Diocese of Newcastle, and those adopted by the Anglican Parish of Wallsend.

In summary, these state:

The placement of ashes must be under the authority and management of the Parish Council. Reservations of a specific niche in the Columbarium must be by payment of the full fee applicable at the time of application, or the payment of a deposit no less than half the full fee at the time of the application.

These guidelines must be read at the time of applying for a niche in the Columbarium, or the burial of ashes in the Memorial Garden, at St. Luke's Anglican Church Wallsend.

Columbarium Guidelines

1. Each application for a niche will relate to a single specific niche.
2. Some payment must be made at the time of application. The applicant may pay either the full fee or a deposit of no less than half the current fee.
3. The fee is reviewed annually and may be increased by the St. Luke's Parish Council as they deem necessary.
4. The placement of ashes shall be at the absolute discretion of the St. Luke's Columbarium and Memorial Garden Management Committee. The Committee will liaise with the Executor of the Estate of the Deceased, in regards to the placement of ashes, or if the Executor is unavailable, liaison will be with an authorised next of kin or other person recognised by the Committee as being the appropriate person.

5. No one, except for the Management Committee, will place, or remove any ashes from niches in the Columbarium.

6. As part of the interment, the Management Committee shall arrange for the plaque to be prepared and affixed to the niche. No one else shall affix any other item to the wall, or any other part of the columbarium.

7. Each plaque will be of uniform style, size and material.

8. The engraving on each plaque shall be of uniform size, style and script.

9. The only engraving allowed on a plaque shall be:

- a The full name of the deceased, as recorded on the death certificate
- b The age of the deceased as at the date of death
- c The date of death
- d A cross may be engraved at the top of the plaque.

10. A flower tube is available to be attached on request and is suitable for a single flower stem.

11. If a request is made at any time in the future for the removal of ashes from a niche, the request must be made in writing. No removal can be made until the Management Committee provides a written authorisation, and the payment of any fee nominated by the Committee has been received by the Committee.
